2021-22 School Council Minutes

01.11.21

Apologies -

School

People would like school council to bring back playground leaders/ games - Mrs Davey will look into this!

The school now has behaviour ambassadors they will be around school praising good behaviour, giving out stickers and be around to help with behaviour.

School council have noticed children show more respect to some adults than other - we need to show respect to all staff and pupils.

Changes people would like to see this year from school council:

1R - Can we think about being quieter in the dinner hall? It's really loud and gives us a headache. Could there be a poster competition?

1R - Behaviour learning walk - could we rank the classes or give them a score to improve for next time? We can talk about what good behaviour is and what it should look like, but we don't always follow it. Do we need a behaviour champion in each class? They could inspire us to do better. Like our learning character. Celebrating 'always children'.

5F - Dinner menus - chn like to see curry on there. Also keen to see a return of the salad bar. More outside activities for playtime. A wider range of books around school. Back in the day, school councillors used to set up games for KSI - can that come back? For future readings of school council minutes - the majority would like to see a return of the book, once again. Return of the book.

2K - would like more things to play with on the playground.

3B - More equipment to play with on the playground and to share out. Put cones out around the grass when we are not allowed on there to stop people from getting too muddy and slipping over.

School activities

Yr4 and yr5 have trips this week.

Year 6 have a trip next week - we can't wait to hear all about it!

School council will be litter picking around the field next week.
