Apologies -

School

Mr Fearn came to discuss the library.

Concerns:

- At time the librarians are being ignored.
- The behaviour book is being used too often without consistency.
- People aren't using the library properly.
- Librarians aren't remember their shifts.

Actions:

- Review the behaviour book with librarians
- Assembly on how to use the library
- Mr Fearn to do extra training with the librarians and check who still wants to be a librarian.
