Football at playtimes is causing some problems - what can we do about it?

Health (including mental health and wellbeing)

School council feel that teachers should let children know when issues have been resolved so the children's minds are at rest. School's fire alarm went off last week and some children felt scared. Teachers Adults to go through the fire and lockdown procedures more often so children are clear - If you are outside, what do you do? This needs to be made clear to children.

Local-

National - Covid rates are high and different variants are emerging. Remember to:

Keep distance

Wash your hands

Keep windows open and doors

Global -

To Discuss

Children are becoming unmotivated to read at home because only the child whose name gets picked out of the raffle on a Friday gets a prize. How

can we make sure that all children are rewarded if they have read 3 times at home? Are classes doing the raffle weekly? This needs to be consistent throughout school.

How are we prompting Times Table Rockstars.

- Week 1 - Meeting - map out behaviour assembly (link with library)
