School

Last week school had visitors in. The children spoke to them about pupil leadership and read to them. Visitors came into classrooms.

They were really impressed with children were and how engaged they were in their learning.

Health (including mental health and wellbeing)

What mental health strategies could we put in place to support children at lunch time?

For example midday supervisors that have mental health training?

To Discuss

Next week we will be litter picking - where have you seen it? How can we reduce it? Can each class come up with 2 ideas for how to reduce to litter for us to discuss next week. More bins.... Signs to say pick up your litter

What mental health strategies could we put in place to support children at lunch time? Please come up with at least one idea per class for next week. Friendship stop
