## Apologies -

### School

This week is the start of Black history month. The theme is 'black to the past'.

School council suggested these ideas:

- Drama opportunities to act out influential moments.
- Writing about influential black people in writing.

Mandi came to talk about the changes to the school menu so there are now 3 choices - she needs to know how children feel about the changes and what everyone's preferences are.

The children explained that the vegetarian options aren't popular, Mandi has to keep them however to ensure vegetarians have some variety.

Cheese and onion pasties have been removed as they seemed to be unpopular.

- What would you prefer?
  - Toffee tart - 6 (3B - 3, 3A-2)
  - Strawberry mousse - 13 (3B - 4, 3A-3)
  - Sponge pudding - 20 (3B - 11, 3A-8)
- Do we want more cookies on the menu? Yes (3B - yes absolutely! 3A-14 - Will cookies and ice-lolly be an option again?)
- Coleslaw has been taken out, do we want to replace this with sweetcorn? yes (3B - yes, 3A=yes)
- Do you want carrot or orange/mandarin cake? Orange (3B - orange, 3A -orange)
- Do you want cold (mixed salad/cucumber sticks) or hot vegetables? cold. Hot for 2K (3B - Hot, 3A-hot)

She has asked school council to write a letter explaining what we like and don't like as a school.

Respecting school - we went through how we respect school property again.

Classes suggestions included:

Not kicking balls at school windows.

Keeping cloakrooms tidy.

Looking after the toilets.

### School activities

#### Health (including mental health and wellbeing)

Do pupils feel safe at school? School council to complete safety questionnaire first to give an example of how pupils feel. We will then roll this out throughout school.

Mr Fearn to come next week to discuss relationships with librarians and the rest of the school.
