2021-22 School Council Minutes

28.02.22

PLEASE highlight your class when you read the minutes

E2		Year 1		Year 2		Year 3		Year 4		Year 5		Year 6	
ES	EG	IR	IG	2W	2K	3A	3B	4F	4D	5SB	5F	6P	6R

School

- Booster classes have started for year 2 and year 6. This is to help children with their SATS. They are before school or after school.
- Thursday is World book day - the theme is Harry Potter but you can also come as another character from a book or in your PJs.
We will be taking part in different activities throughout the day.
- Year 5 are going on a trip on Thursday to the Tropical Butterfly house in Sheffield - this links to the learning they have been doing on Mayans and the rainforest.

Health (mental health and well-being)

- School council are going to start a newsletter this is based on the feedback from your safeguarding questionnaire.
We will be writing about happy things, friendships and finding out more about a subject each half term.

Any other business

- Tomorrow is Pancake day.
Pancake Day, or Shrove Tuesday, is the traditional feast day before the start of Lent on Ash Wednesday. Lent - the 40 days leading up to Easter which is a time of fasting.

News

Russia have been invading Ukraine and some people are worrying about this. Here is a link to an advice page on Newsround that classes could watch to support this.

[Advice if you're upset by the news - CBBC Newsround](#)

COVID restrictions have lifted - people no longer have to wear masks and guidance has changed. We still need to remember to wash our hands.

To discuss

We are inviting Miss Pearce to our next meeting to talk about maths! Do you have any questions you would like to ask?

Does maths get harder? Yes, maths should get harder within a lesson. Teachers figure out if you're doing something well so will give you something harder when you're ready. But all children should

Why is there not many videos? Because we like to do the activities.
The best ways to teach maths is to show you and explain to you, a person w

Do you learn times tables over 12? There is no need to learn your times tables over 12, this is linked to the past when there were 12 shillings in a penny. Times tables are important

Could we have any Maths competitions but not just Times tables? Miss Pearce will have a look and look into more opportunities for

Could there be maths visitors or teams with math experts?

What is the most difficult subject in maths? In our school measurement is the one we find trickiest as a school. Using ml, l is what children find the trickiest.

What's the best way to learn fractions? Drawing pictures and using things to help you imagine what

Any words of advice or

Timestable rockstars up as much as possible as our school is currently 6th out of all the schools in Doncaster.
