## Bentley High Street

EYFS, Phonics, KS1  
and KS2 results

2023

Data updated: 18 July 2023

BUY DONCASTER

## **General notes on the data**

This report uses the data that was available on 18 July 2023. Figures for the school, LA and national may differ slightly from the final data published by DfE and in ASP.

3-year trends are provided using data from 2019 and 2022, as formal assessments were cancelled in 2020 and 2021.

In KS2, the cohort figures shown in the table correspond to pupils recorded with an assessment. The numbers eligible for the average score and progress measures may be different, and will be reflected in the labels on the charts.

In KS1 and KS2, for ease of reading all pre-key-stage standards are combined into a single grade of PKS. The full breakdown showing each standard individually is available through Perspective under LA Reports.

KS2 progress figures have been calculated by NCER, using the methodology provided by DfE.

Transition charts showing progress from EYFS to KS1 are not generally available as this KS1 cohort were not assessed under EYFSP, but where schools took part in the optional assessments in 2021 these charts are shown using that data. Please remember that these optional assessments have no official standing.

## **Notes on reading the graphs**

A speckled grey bar running the full height of the chart indicates that there are no pupils in that group.

A blank column therefore indicates that no pupils achieved the benchmark.

(This does not apply to charts showing trends)

Charts with blue bars show average marks.

Charts with green bars show where pupils have met a specified threshold (and those with orange and red bars show where pupils have not met the threshold).

Charts with purple bars show average progress scores at KS2. Negative figures indicate that pupils made less progress than pupils with the same starting point nationally. Confidence intervals are shown so that you can determine whether a progress score is significantly above or below average.

A grey diamond marker indicates the national average for that group to achieve the pass mark or the expected standard and, where relevant, a small black mark indicates the national average for a high score/GDS. On multi-coloured charts, this corresponds with the top of the green bar(s).

Because there is no pass mark for MTC, scores are grouped into bands, and a diamond marker is shown for the national average for each band.

Charts with spotted shading show pupils' transition from the previous phase or key stage.

For KS1, this shows pupils' EYFS outcomes in reading, writing, number and SS&M and outcomes in Y1 phonics.

For KS2, this shows pupils' outcomes at KS1.
