

3rd July 2026

Dear parents and carers,

Welcome to this week's newsletter!

☀️ **4M's Spectacular Stage Debut!**

This year, our wonderful 4M class partnered with Cast and the 'Playhouse' project to write and perform their very own play.

The children performed live at CAST on Tuesday in front of their families, and they were absolutely phenomenal. These are the kinds of magical moments our children will remember forever.

A massive thank you our year 4 staff and children in 4M for their incredible dedication—from the afterschool practice club to hand-making props, they all went above and beyond to make this happen and should be very proud.

🏆 **Trust Olympics Success**

On Wednesday, we took 49 of our brilliant students to the Sheffield Institute of Sport for the annual Trust Olympics. We are thrilled to announce that teamwork paid off, and we placed 5th overall (up from 7th last year!).

An achievement like this takes months of behind-the-scenes work. A huge public thank you to Miss Smith, who has been coordinating this since last summer—tracking sports day results, running a year-long afterschool club, and even sorting out all the team T-shirts. Thank you, Ellie, for giving our children such a fantastic sporting opportunity!

☀️ **Summer Fayre: Save the Date!**

Our annual School Summer Fayre is happening on Friday, 10th July from 2:30pm. .

Each year group is currently busy designing and creating their own fun game for everyone to play.

Please come along, support the school, and join in the fun—we can't wait to see you there! Please complete the consent form that has been sent via arbor to let us know if you will be collecting from 2:30. Any children

who are not being collected, can bring money in a named envelope or wallet and will still be able to visit the fayre.

If you have any gifts you'd be happy to donate to the raffle please bring them to the school office.

Attendance

Ah hoy Early Years Parents! This week our children have made their own 'fruit swords' for this week's attendance challenge.

Every single day your child comes to nursery or reception, they are doing something incredibly important: they are playing, learning, and growing! Think of school like a giant puzzle—every day they attend, they get a new piece of the puzzle. If they miss days, it is like having missing puzzle pieces, which makes it harder to see the whole picture.

Coming to school every day helps children make close friends, learn how to share, and feel confident. When children are here all the time, they learn how to read, count, and talk about their feelings much faster. By helping your child show up every day, you are giving them the best possible start to their education!

Dates for families

Summer 1	
Half Term - 23rd - 30th May	
Week 6	6th July - Reception Butterfly house 7th July - SATs results day - moved to the 16th July 8th July - Transition Don Valley, Meet the teacher day 9th July - Transition Don Valley, Meet the teacher day AM only. Curriculum showcase
