Attendance

Please ensure you contact the office to report your child's absence. This prevents us from doing home visits. We aim for 96% attendance. You can find out more about our approach to attendance [here](#).

Our half term attendance incentive has also been launched this week. We will be raffling off a hamper full of Christmas goodies for children who have over 97% attendance.

We will also be holding a little stall on the last day of term where children can buy stationary, fidgets ect. Children are welcome to bring a pound on the last day to spend at the stall.

Last week our whole school attendance was 94.9% which is slightly above the national average.

Parking Reminder

Please can we again remind parents about parking near the school site. As a school we are concerned about how cars park on the road adjacent to the school car park. You may have noticed that we have added a tyre barrier to prevent cars blocking the pathway.

We do not advise any children leaving school to walk to cars parked on the roadside. This is due to the amount of cars and the lack of visibility. Please take care if you drive and park here. Please also drive with caution and go slowly. Pupils should only enter the rear carpark or go near the road if accompanied by the adult collecting them

You can now enter our carpark at the back and drop pupils off there. They can walk onto the KS2 playground. Please note that this is a one way system and parking is for drop off only.

Best wishes,

Miss Austwick
