

08th May

Dear parents and carers,

Welcome to this week's newsletter!

### Year 6 SATS

Next week, Year 6 pupils will be sitting their SATS tests on Monday to Thursday. On these days, all Year 6 pupils are invited for a free breakfast from 8:15am. This gives them chance to chat and relax with their friends and teachers before they start the tests.

If your child is ill next week and in Year 6, can you please contact us as soon as possible so that we can make arrangements with you for them to do the tests. Hopefully we will not need to do this!

On Friday, will be a picnic for children on the school field to celebrate their hard work. All details have been sent over Arbour. We are so proud of how all of the children have prepared for the tests and we know they will all try their best next week and we couldn't ask for more!

**We have a winner!** 🎉 🎊

Ticket number **307** was pulled from a random generator yesterday afternoon. Please bring your ticket to the office to collect your prize.

A massive well done to school council who raised £73.50 for sensory resources for classrooms! ❤️

### PE Kits

We take great pride in our school identity, and ensuring the children have the correct kit is important for both their safety and their ability to participate fully in physical activities.

To help us maintain a high standard, please could you ensure your child comes to school in the correct uniform on their designated PE days.

As a reminder, as per our website, our PE kit consists of:

#### PE Kit:

Indoor PE Kit: Black shorts and White T-shirts are to be worn.

*Please do not wear football shirts or other coloured T-shirts for PE.*

### **Outdoor Games Kit:**

Children should have a pair of pumps or training shoes for outdoor games lessons. Many children also wear dark coloured, plain tracksuits for outdoor games.

If you wish your child to wear stud ear-rings please ensure they are able to remove the earrings themselves for PE lessons.

If you are unsure of which days your child has PE, or if you have any questions regarding the specific kit requirements or need any support with uniform, please speak to your child's teacher or a member of the office.

Thank you for your continued support in helping our pupils stay ready and prepared for their active learning!

### **Reading**

Shout out to children and parents in F2 for having the most pupils in the school reading 3 times or more at home this week. Closely followed by year 4. Keep it up! When you read 3 x a week you can earn tokens to spend at the reward shop.

You can complete quizzes and record your word count on accelerated reader.

### **Login Details:**

Site Code: BHSPS-85YG

**Username:** First letter of their first name + first four letters of their last name (Example: Joe Bloggs = **jblog**).

**Password:** **abc**

### **Phonics**

Phonics screening check - Year 1 and Year 2 (resits) are coming up very quickly. If you would like some ideas on how to support your child reading with phonics, please ask your class teacher who will be willing to help.

Please advise us if you are away from the 8th June 2026 so we can rearrange the test.

### Staying Safe Online

Social media is a fun platform to enjoy and relax too and in some cases a great way to stay in touch. However, are you aware that it is UK policy that you must abide by the platform's age restrictions in order to keep children safe? Below is a helpful poster of the age restrictions for popular applications. Some of the risks of young people using social media before they are ready are:

- Unwanted contact from strangers
- Exposure to inappropriate content
- Distorted body image and unrealistic standards
- Peer pressure to follow trends

### Compliments box

In the school office, we have a compliments box for parents and visitors to add to. Please feel free to add something when you next visit! We also have a compliments email address for you to send in to. The email address is [compliments@bentleyhighst.elp.org.uk](mailto:compliments@bentleyhighst.elp.org.uk)

### Attendance

At Bentley High Street Primary School we want the very best for our children and young people. High attendance leads to higher outcomes in learning and this means that our pupils must attend every day that the academy is open, except in a small number of allowable circumstances. Every lesson counts in our academy and we want all of our pupils to be included and secure the knowledge they require to thrive in their learning.

This month's attendance raffle prize is a £30 voucher to The Savoy Cinema so you can enjoy a film with your family during the holidays!

We are also doing a raffle for our year 6 classes, anyone with over 97% attendance this half term will be entered for the chance to win a £30 Amazon gift voucher!

Each week in assembly the class with the highest attendance will win a spin of the wheel for an exciting treat. Also, any class with over 97% get extra time on their breaks!

Last week our class winners were 3B with 98% earning themselves an extra 8 minutes onto their playtime!
