

10th May 2024

Dear parents and carers,

Next week is the start of the Year 6 SATs. We want all our pupils in year 6 to have a lovely, relaxing weekend! We are so proud of you all already and we know you will all smash next week 😊

### Summer Term Railway Event

For the last 3 years we have set ourselves a challenge to provide all our children from reception to Year 6 with a 'must-have' experience!

2022 - All children visited the new Doncaster museum

2023 - All children went to Bentley Library and signed up to the library!

2024 - We are planning for all the children from reception to year 6 to take a ride on the train from Bentley Station into town and back again. Rail safety is such an important lesson for our local community and the railway is a massive part of our local history so this will be a great experience for all our children 🚂

### Reception places – 2024

We will be having a welcome meeting for parents of children starting reception in September on:

- Monday 24<sup>th</sup> June at 9:15am
- Monday 24<sup>th</sup> June at 4:00 pm

### EYFS spaces and open evening

We do still have places available if you or someone you know needs to apply for a reception, nursery or No.1 place for this September. We will be having an open evening on **MONDAY 20<sup>th</sup> MAY 3:45 – 4:30** if you would like to walk around and ask any questions.

### Reading

Well done again to 2K who have the most children reading 3x per week. Catching up is F2L. Who can knock 2K off the top spot to win extra playtime next week?

Congratulations to Daniel in 2K for reading the most words in KS1 and Reuben in 3B for reading the most words in KS2. Well done to Kevin in 2K who has completed the most quizzes this week.

### Phonics Screening Check

The year 1-2 phonics screening check is quickly approaching. If you would like some advice, please ask a member of the year 1 team. Please inform us if your child is going to be absent the **week beginning 10th June 2024** so we can rearrange the quiz.

### Safeguarding

This online safety guide is an updated examination of WhatsApp – the globally popular messaging platform which contains both old and new hazards for young users.

### Parking

Please can we again remind parents about parking near the school site. As a school we are concerned about how cars park on the road adjacent to the school car park. You may have noticed that we have added a tyre barrier to prevent cars blocking the pathway..

We do not advise any children leaving school to walk to cars parked on the roadside. This is due to the amount of cars and the lack of visibility. Please take care if you drive and park here. We urge you to drive and park sensibly. Please remember that it is an access route for other businesses and emergency vehicles who may need access.

Best wishes,

Miss Austwick  
Principal
