

11th October 2024

Dear parents and carers,

Good morning and welcome to this week's newsletter!

As you will be aware, this week we were visited by Ofsted. Whilst we are not allowed to share the outcome with you until we have the official report, we wanted you to know that we are exceptionally proud of our pupils and staff! They were so polite and welcoming.

Please remember that next week is parent's evening. You have been sent a parentmail about booking a slot.

Training day & half term

- Reminder school is closed next Friday 18th October for a training day.
- We break up for half term on Friday 25th October.

Save the date- New topic celebration event - 28th November

Our new curriculum theme of Identity, Diversity and Social Justice has had an amazing start. We are learning about different races, genders, backgrounds and religions because we are all unique and we want to celebrate our diversity. We will learn about times of social injustice so that we can understand the importance of acceptance and equality. We cannot wait to share our learning with parents on the celebration date above.

Social Justice Project

Year 6 children have started putting together their performance for the Social Justice Project which will be on the 14th November at Hall Cross Academy. They had an awesome dance workshop on Thursday and we are really looking forward to how this develops. It is not too late to sign your child up to take part in this - please contact the school office.

Reading

Thank you to all the parents/families who have logged on to Learning with Parents. We have 22 families still to log on. If you need help, please speak to your class teacher. We will be in touch to offer support.

Congratulations to Jones in 2K for reading the most words in KS1 and Lucy in 6M for reading the most words in KS2. Well done to Ava in 4D who has completed the most quizzes this week.

Parking Reminder

Please can we again remind parents about parking near the school site. As a school we are concerned about how cars park on the road adjacent to the school car park. You may have noticed that we have added a tyre barrier to prevent cars blocking the pathway. .

We do not advise any children leaving school to walk to cars parked on the roadside. This is due to the amount of cars and the lack of visibility. Please take care if you drive and park here.

We urge you to drive and park sensibly. You can now enter our carpark at the back and drop pupils off there. They can walk in onto the KS2 playground. Please note that this is a one way system and parking is for drop off only.

Best wishes,

Miss Austwick
Executive Principal
