13th March

Dear parents and carers,

Welcome to this week's newsletter!

Important Notice: School Parking and Safety

We would like to remind all parents to be very careful when parking near the school. We are worried about cars parking on the road and blocking access.

Please follow these safety rules:

- **Road Safety:** We do not recommend that children walk to cars parked on the roadside.
- **Visibility:** There are many cars in this area, which makes it hard for drivers to see small children.
- **Drive Slowly:** Please drive with extra care and keep your speed very low near the school.
- **Supervision:** Children must stay with an adult if they are near the road or the rear car park.

Using the Rear Car Park You may now use the car park at the back of the school to drop off your children. From there, pupils can walk directly onto the KS2 playground. Please remember:

- This is a **one-way system**.
- This area is for **dropping off only**, not for long-term parking.

Stay and learn

Parents and carers are invited into school to spend some time learning with their child.

This is a chance to have a chat with class teachers and find out how to support your child's learning at home.

Each session is linked to a different subject or theme!

Reception to year 6 - 8:45 - 9:15

(Nursery stay and learn will start after half term when the children have settled into routines)

Attendance

At Bentley High Street Primary School we want the very best for our children and young people. High attendance leads to higher outcomes in learning and this means that our pupils must attend every day that the academy is open, except in a small number of allowable circumstances. Every lesson counts in our academy and we want all of our pupils to be included and secure the knowledge they require to thrive in their learning.
