

14th June 2024

Dear parents and carers,

Congratulations to Year 4

Year 4 have worked incredibly hard this year to learn all the times table facts up to 12 x 12 and over the last two weeks have completed an intense multiplication check. Everyone did their very best and should be incredibly proud of themselves.

Sponsored Neon Disco Dance-a-thon!

On Friday 28th June all children will be taking part in a sponsored Neon Disco Dance-a-thon!

Dust off those legs warmers, get as bright as possible to disco the day away! All money raised will go towards new furniture for a chill out room for our children.

This is a great opportunity for our children to raise money, help their school and classrooms and have a boogie!

The children who raise the most money in EYFS, Key Stage 1 and Key Stage 2 will win a Smyths voucher!

A sponsorship form will be coming home today.

Y3 Trip to Austerfield

Year 3 had a fantastic trip to Austerfield Study Centre this week where they were thrown into creating a river from scratch! We had to use our muscles to carry a gallon of water each towards the quarry to create a functioning river, including working parts. We then were able to go pond dipping and we were very excited when we caught some very small fish and insects. The children enjoyed every second and were very well behaved!

Walk to School Project

This week saw the launch of our WOW Walk to School Project. Every day in class, pupils are logging how they travelled to school using our travel tracker. If your child walks, bikes or scoots to school once per week for a month, they can earn a badge. The winning class earns a trophy. We are aiming to reduce the amount of pupils coming to school by car as this is not good for our environment. To find out more, please watch our video on Facebook where some of our pupils explain the project.

Art competition

SUSTAINABILITY

Home learning competition!

You are challenged to create a piece of artwork linked to the theme of 'sustainability'

The media and the subject are completely up to you.

Closing date: 21st June

The top ten entries will be taken to a Facebook vote!

Reading

This week was the last session of the Little Book Club. The children who participated in this session are now enjoying reading and have read so much over the last 8 weeks. Amelia and Alexia read an impressive 4 books in only 8 weeks.

This week's readers of the week are Thaksana in 2S for reading the most words in KS1 and Micah in 4D for reading the most words in KS2. Well done to David C in 4M who has completed the most quizzes this week.

Safeguarding

This week's guide offers expert advice on how to encourage fair play and a healthy approach to competition among children and young people.

Parking Reminder

Please can we again remind parents about parking near the school site. As a school we are concerned about how cars park on the road adjacent to the school car park. You may have noticed that we have added a tyre barrier to prevent cars blocking the pathway. .

We do not advise any children leaving school to walk to cars parked on the roadside. This is due to the amount of cars and the lack of visibility. Please take care if you drive and park here. We urge you to drive and park sensibly. Please remember that it is an access route for other businesses and emergency vehicles who may need access.

Best wishes,

Miss Austwick
Principal
