17th October 2024

Dear parents and carers,

Good morning and welcome to this week's newsletter!

Training day & half term

- Reminder school is closed tomorrow, Friday 18th October, for a training day. School will be open as usual on Monday.
- We break up for half term on Friday 25th October.

Next Friday, 25th October, we are having a Halloween themed day, children can come to school in Halloween fancy dress and in the afternoon, each year group will have a mini Halloween disco.

Important - Inhalers in school

Any child with asthma must have an inhaler in school if they may need access to it during the day.

Inhalers must be signed in through the office.

Children take inhalers home before the summer holidays so please double check your child's inhaler has been returned to school this half term.

Save the date- New topic celebration event - 28th November

Our new curriculum theme of Identity, Diversity and Social Justice has had an amazing start. We are learning about different races, genders, backgrounds and religions because we are all unique and we want to celebrate our diversity. We will learn about times of social injustice so that we can understand the importance of acceptance and equality. We cannot wait to share our learning with parents on the celebration date above.

Social Justice Project

Year 6 children have started putting together their performance for the Social Justice Project which will be on the 14th November at Hall Cross Academy. They had an awesome dance workshop on Thursday and we are really looking forward to how this develops. It is not too late to sign your child up to take part in this - please contact the school office.

Reading

Thank you to all the parents/families who have logged on to Learning with Parents. We have 22 families still to log on. If you need help, please speak to your class teacher. We will be in touch to offer support.

Parking Reminder

Please can we again remind parents about parking near the school site. As a school we are concerned about how cars park on the road adjacent to the school car park. You may have noticed that we have added a tyre barrier to prevent cars blocking the pathway. .

We do not advise any children leaving school to walk to cars parked on the roadside. This is due to the amount of cars and the lack of visibility. Please take care if you drive and park here.

We urge you to drive and park sensibly. You can now enter our carpark at the back and drop pupils off there. They can walk in onto the KS2 playground. Please note that this is a one way system and parking is for drop off only.

Best wishes,

Miss Austwick
Executive Principal
