

15th September 2023

Dear parents and carers,

Another wonderful week settling back into school!

After-school clubs and pupil leadership roles started this week and it's been lovely to hear the children being so excited about their clubs or roles.

4D and 6R are currently in the lead....

We held our 'we read' parents meeting on Tuesday to introduce our new electronic reading journal. If you are still unsure on how to use Learning with Parents, then we have included a How To Guide within the newsletter. If you are still uncertain after this and would like additional support, we are hosting an additional parent meeting after school on **21/09/23.**

There is a bit of a competition in school to see which class can get every pupil to log on first! The current scores are...

BalletLORENT experience

Over the weekend 11 of our pupils took part in a ballet production of Rapunzel! The children had to work extremely hard learning choreography and performance based skills to take part in 2 performances with a professional dance company at the CAST Theatre. Our pupils absolutely loved the experience and we were

blown away with their talent and professionalism. James, principal dancer, from BalletLORENT mentioned how amazing all of the year 4 children were especially battling through nerves and to thank them for their hard work.
