

20th October 2023

Dear parents and carers,

We cannot believe that we have reached the end of our first half-term! We hope that all of our children have a well-deserved break. Thank you so much to our families who joined us for parent's evening this week. If you could not attend, our teachers will do their best to contact you.

At the end of this newsletter, you will find a list of diary dates for next half term!

On Wednesday, Year 6 visited Eden Camp to enhance their learning about World War II. They loved looking at all the artefacts and information and loved being immersed as if they were in the Blitz, an air raid and a U-boat. They had a lovely sing-a-long to some war time classics in the music hall and even played some games that children would have played during WWII. Children were also proud that some of their writing was on display in a real museum.

A High Street Halloween

Tuesday 31st October

We have a spook-tastic day planned for the children:

- Children can come in Halloween costumes or own clothes (Nothing too scary please!)
- A spell-bounding school dinner
- A Halloween disco (within school hours)

We are asking for a £1 contribution per child to put towards tricks and treats for the discos.

Pupil safety survey

Every year we ask for parents and carers to complete the below questionnaire with their child/ren to make sure we are aware of our pupil's views of our school.

Please click on the link below to complete.

There is a question at the end for parents only.

Safeguarding – EA sports.

Attached to this newsletter is some advice for parents around EA sports. Please read this for your reference. If you need any more support regarding online safety please have a message at the office for Miss Brogan or Mrs Davey.

Reading

Learning with Parents

We are loving the new method of recording children's reading at school and at home, and we thank you for being as enthusiastic about the website as we are. There are still a few parents who after parent's evening, are still not signed in, and we will contact you directly to try to find a solution to this.

Accelerated Reader

This week our amazing readers are Tomasz in 2K who has completed the most quizzes, and Luna in 6R who has read the most words. Wonderful efforts from both of these children, and we can't wait to reward them in our achievement assembly.

EYFS Open Day

Please come and join us! Monday 13th November. 3.30-4.30
