

23rd May 2024

Dear parents and carers,

It is hard to believe that we have reached the end of the first part of the summer term! It has flown by. This week our year 2 children have completed their assessments. We've been amazed with their positive learning attitudes, hard work and how well they have done!

Please remember that today is the last day of school before half term - tomorrow school is closed for a training day. School will reopen on Monday 3rd June.

Puberty and body talk parent consultation

Next half term children will be starting the 'changing me' topic in their personal, social and health lessons. We will be holding parent meetings to share the overview of the health and relationship for children in years 1 - 6 on **Monday 3rd June (first day back) from 3:00 - 3:30pm.**

This will include information for year groups covering; puberty, menstruation and naming private body parts.

We will send out the dates of the lessons that will cover body talk/ puberty lessons in advance so parents are aware.

SENCO surgeries

This month we started our SENCO surgeries. We were so pleased by how many parents booked appointments to speak with us.

Each month invitations will be sent to ALL parents for an opportunity to talk about any concerns or questions linked to special educational needs with the school SENDCOs

Parents can book a slot if they want but there is no expectation that you have too.

Sports days

Weather permitting! Our sports day dates are below:

No.1 & F1

Tuesday 25th June 9:15 - 10:00am

Thursday 27th June 2:00 - 2:45

F2 - Monday 8th July 2:00 - 3:00

Key stage 1 - Monday 1st July 9:15 - 10:15

Lower Key stage 2 - Thursday 4th July 9:00 - 10:30

Upper key stage 2 - Thursday 4th July 1:30 - 3:00

Class teachers will send out additional information such as team colours through parentmail.

Class Photographs

Class photographs will take place on Wednesday 3rd July.

Phonics Screening Check

The year 1-2 phonics screening check is quickly approaching. If you would like some advice, please ask a member of the year 1 team. Please inform us if your child is going to be absent the week beginning 10th June 2024 so we can rearrange the quiz.

Safeguarding

Flourishing friendships can be an important aspect of a happy life - but what does a healthy relationship look like? This week we're offering advice on encouraging healthy friendships among children and young people.

Snacks

Just a reminder that children should bring healthy snacks for break time and not food that comes in wrappers (crisps/ biscuit packets) due to an increase in litter in the playground.

Parking Reminder

Please can we again remind parents about parking near the school site. As a school we are concerned about how cars park on the road adjacent to the school car park. You may have noticed that we have added a tyre barrier to prevent cars blocking the pathway. .

We do not advise any children leaving school to walk to cars parked on the roadside. This is due to the amount of cars and the lack of visibility. Please take care if you drive and park here. We urge you to drive and park sensibly. Please remember that it is an access route for other businesses and emergency vehicles who may need access.
