

26th April 2024

Dear parents and carers,

We have had another great week in school!

TTRockstars

We are so excited for as many pupils as possible to earn our awesome times table certificates and become a times table master. The best way to do this, is to get as much practise as possible on Times Table Rockstars. Your child's teacher sees something on Times Table Rock Stars that tells them that they know these tables and then they can take on the challenge to get the certificate.

Year 4 children are on an amazing mission to learn all of their table facts. This is because they have their times table check coming up soon! So if your child is in Year 4, and you have not yet downloaded the app, we really recommend that you explore it. Here is the link:

If your child has forgotten their log in information, please ask their class teacher.

SEND support plans will be coming home with your child today unless you have been told otherwise, if you do not receive a copy of your child's support plan please email admin@bentleyhighst.doncaster.sch.uk and will chase this up for you.

SEND parent feedback

We recently conducted a SEND parent voice questionnaire, thank you so much for your honest feedback. You can find the 'you said, we did' feedback attached to this email.

We will be starting a 'SENCO surgery' each month where any parents can book a slot to discuss any concerns. The first surgery will be with Mrs Davey on Monday 20th May 2pm - 5pm.

Our mental health team 'with me in mind' are offering free parenting support sessions.

Healthy snacks

A reminder that children can bring a piece of fruit for snack during the day. We are noticing an increase in litter around school so ask children only bring crisps or snacks in wrappers if they have a packed lunch.

Safeguarding

This week's guidance focuses on what parents and guardians need to know about shopping platforms.

Parking

This week we have noticed a high increase in cars and parking around school. We are very concerned about the safety risk and we have personnel from the Local Authority coming to visit the school next week

Please can we again remind parents about parking near the school site. As a school we are concerned about how cars park on the road adjacent to the school carpark.

We do not advise any children leaving school to walk to cars parked on the roadside. This is due to the amount of cars and the lack of visibility. Please take care if you drive and park here. We urge you to drive and park

sensibly. Please remember that it is an access route for other businesses and emergency vehicles who may need access.

Best wishes,

Miss Austwick
Principal
