26th June 2026

Dear parents and carers,

Welcome to this week's newsletter!

It has been a hot one but the children have managed so well. The weather is due to drop after the weekend so children will be expected to come in school uniform, except on Thursday when we are raising money for our linked charity 'Firefly'.

Please continue to send children with sunhats, suncream and a bottle of water.

Attendance

Ah hoy Early Years Parents! This week our children have explored a pirate theme sensory tray to find the treasure!

Next week all children will be making fruit swords across the week!

Every single day your child comes to nursery or reception, they are doing something incredibly important: they are playing, learning, and growing! Think of school like a giant puzzle—every day they attend, they get a new piece of the puzzle. If they miss days, it is like having missing puzzle pieces, which makes it harder to see the whole picture.

Coming to school every day helps children make close friends, learn how to share, and feel confident. When children are here all the time, they learn how to read, count, and talk about their feelings much faster. By helping your child show up every day, you are giving them the best possible start to their education!

Reading at home

Well done to the children who collected 50 + tokens for reading at home throughout the year. They took part in a free choice afternoon playing games, arts and crafts and watching a movie as their prize and enjoyed dominoes pizza, sweets and juice. Mrs McMinn and Mrs Gilbert enjoyed it too!

Dates for families
