Dear parents/ guardians

We want all children to grow up healthy, happy, safe, and able to manage the challenges and opportunities of modern Britain. That is why, from September 2020, all primary age children were due to be taught Relationships and Health Education. However, due to lockdown schools were unable to carry out the required consultation process so the start Relationship and Health education has been postponed until Spring term 2021.

These subjects are designed to equip your child with knowledge to make informed decisions about their wellbeing, health and relationships as well as preparing them for a successful adult life. The world for all young people looks very different from the way it did 20 years ago when this curriculum was last updated – these changes bring the content into the 21st century, so that it is relevant for your child.

We will be holding an initial consultations with parents via zoom to discuss when and how this will be taught and to give you the opportunity for you to ask any questions regarding the subject.

There will be two possible meetings to join:

- Monday 21<sup>st</sup> September at 1pm

Topic: RSE - initial consultation
